How do I pay my rent?

Soon after you have signed your tenancy agreement, a rent payment card will be posted out to you. This will enable you to pay your rent in any Post Office countrywide. You may also use it to pay in retail outlets that have the PostPoint or Paypoint facility. Payments may also be paid in the Cash Office in the Civic Offices.

Tenants in receipt of some categories of Social Welfare benefits can arrange to have their rents deducted at source from their weekly payment through the Household Budget Scheme. For more information call 222 2217.

If you wish to check your account balance or discuss your weekly rent charge you may call to the Rents & Tenant Purchase Section on the Ground Floor, Block 1 in the Civic Offices. You may also telephone our FreeFone no. 1800 679 555 or tel. no. 222 2211.

What to do in difficulty?

If your account is in arrears you may discuss this with an Executive Housing Officer in the Arrears Management Unit. The South city no. is 222 2150.

If you are having difficulty with paying your rent, the earlier you contact someone the better.
